“ *Brad Marquardt*

January 06, 2023 at 10:46 PM

“ *I was Brad's 4th gr teacher at Maple Grove. One of my favorite and funniest memories was about Brad. One day he was looking out the window and yelled, "A tree frog is crawling up the wall!" We all go over there to look and Brad turned around- it had jumped on his face! We laughed all day long and Brad laughed the hardest. He took it so well and for a month he'd read all about frogs. I will always remember that sweet, good natured red head little boy. May God uphold his family and strengthen them these coming days.*
