“ *I am a family friend and neighbor of the Heimberger's who grew up with Brad and Brenda while living in Paddock Estates, Florissant. Brenda has always been the epitome of beauty and grace to me. Her smile, laughter and kindness were contagious. When going to hang out with Brad at their house and Brenda was home she would always greet me with that patented big smile of hers which was one of many of her best features. Her interest in music and art back in her younger years has influenced who she would become as an adult. I was pleasantly surprised to learn from Brad that Brenda and Gene were writing, singing and performing their music which was influenced by their Christian roots. The song they wrote and recorded "On My Father's Side" was a blockbuster of a song which showcased their music and singing talents. There are many good people in this world worthy of praise for who they were and what they have done during their time on this planet but few could match Brenda's devotion, warmth, love and inner joy she had for family, friends, music and her Lord. She will be missed.*

“ Mema was a loving caring person with a heart the size of the state of Texas. Mande, I and the boys immensely enjoyed her presence. Any time Mema visited was like a holiday. Memaw will be thought of everyday for the rest of our lives. The void of her not being here will be difficult to bare. But we know that she will be watching over all of us In heaven.
