“ I miss you so much man, it really tears my heart in half to see you gone. We were so close I just wish we had got to spend more time together. I know it hasn't been long, but it feels like you've been gone for the longest time man. I'm trying to deal with this as good as I can, day by day. It just hurts me so much more cause you were more like my brother than my cousin. I'll always consider you my brother no matter what. I love you so much Justin. Rest in peace.
Love, Kris
