“ I didn't know Brittany well but know that my niece Michele Mason thought of her as a sister and not just a best friend. Where one was, so was the other. God needed you as a special angel to watch over Michele and her kiddos. I know it doesn't seem fair, but Brittany is in a far better, more peaceful place than we can ever imagine being. Fly high sweet angel and watch over your loved ones as you are now free from these earthly restraints. Know that you were greatly loved and will always be
