“ *We always enjoyed seeing Bryan when we came to visit Chuck & Anita in Eureka. He always wanted to make us feel welcome! One time we dropped by and only Bryan was home -- so what did he do - - he took us out for pizza! I still remember that square pizza! He would not let us pay! Bryan loved his family -- and all his friends. I never heard him talk bad about anyone. He was kind and caring -- one of the good guys! We will miss Bryan! Mike & Becky Hanshaw, Montgomery, TX*

“ *Bryan I remember all of us kids in the family playing around each other, I never would have thought you'd become so sick. I am so very sorry that I didn't get to see or know you more I wish I could be there with our families to pray for you and comfort Uncle Charles and Aunt Anita as you are sent up to Heaven... We love you and will see you again. Your cousin, Stephanie..*

“ I was sorry to hear about Brian. My son Mike Koziatek and I bowled with him about 14 years ago. Win or lose we always had a good time. Due to the Covid I will not be able to come to the services, but he will be in my prayers.

“ Bryan and I always had a special connection I felt because we loved teams that nobody else did, he loved the Chicago Cubs and I love the Buffalo Bills. We would always go back and forth and how bad the other team was and I am happy now that neither one are as bad as they were many years ago and Bryan got to see the Cubs win the World Series and I was really happy for him. I miss the chats with Bryan, trading baseball cards back in the day, or most recently his Jokes he would post online always made me smile. I miss him and will see him again and I hope he greets me as little Ronnie Seal as he used to always do.
