Reflections of Byron's Life

Byron Lavell Wilson was born on July 2, 1971, in St. Louis, MO to parents Fred O'Neal and Maudean (Triplett) Wilson (both parents preceded him in death). Byron is the 3rd youngest child of his 8 siblings.

Byron graduated from Parkway South High School and continued his studies in college at ITT.

Byron made his confession of faith at an early age. He loved the Lord and had a heart for the unsaved; sharing his faith regularly.

During his 15-year career as a transit driver at Metro, Byron met the love of his life, Chamille, and they married on July 2, 2022.

Byron loved the Marvel Universe and DC Comics and their characters. His nickname was Batman. His favorite football team was the New England Patriots, basketball team, Boston Celtics and he was a huge fan of the artist, Prince.

Byron was primary caregiver for his mother, Maudean, and cared for her until her passing on September 9, 2021.

One of Byron's last outings was spent cruising down the river on a boat enjoying his family. He loved his family and friends deeply.

Byron went home to be with the Lord on Saturday, September 7, 2024, at the age of 53. For we know that if our earthly house, this tent, is destroyed, we have a building from God, a house not made with hands, eternal in the heavens - 2 Corinthians 5:8.
