“ *It's crazy that you would be 13 years old this year. I'm still not sure what to do with myself on those 2 days of my life. They are still very hard and depressing for me I've had people make me think they would always be there for me and tell me that they'd never leave me or would always be there for me on those days at those times no matter what. They too have also left me. That seems to be the cooking theme with my life is everyone leaves me. I guess I'm too much. I hope to one day see you again babygirl... But I'm not sure I've lived the most honorary lifestyle that I will. I hate thinking about that from time to time. But I'm so damaged from all the things I've been through and dealt with and I'm still standing here alone and guessing I always will be. I'll never understand why you were taken from me it's just not fair. I love you beyond words or that I could ever explain...I miss you more and more everyday... I love you babygirl.*

“ From the moment she was brought home, she was such a joy. Always happy & smiling that sweet smile to anyone that just met her even for the very first time. She brought such joy to our lives and touched our hearts forever! Cadence was our sweet baby girl and Haidin was always being her big brother, watching movies, talking, and taking care of her all the time. She will live in our Hearts Forever & Always! Curtis & Casey just remember all the joy & Happiness she brought the 2 of you and everyones life she touched in the short time she was here and we can only hope that helps the 2 of you find some sort of peace and helps through all the hard times somehow. We're always here for the both of you anytime. We Love You Both! Will be sadly missed but never will be forgotten! BE Gentle!

“ Cadence was the very best baby and she always had the biggest most beautiful smile. Cadence was perfect in every way. I always called her my gorgeous girl and she would smile every time I said it. It is such a tragedy that this happened to the most beautiful, perfect, and sweetest baby. Cadence will always be in my thoughts and praryers
