“ *My Dad was a good man. Taught me the most important things in my childhood. How to bait a hook, how to drive an old pick up, how to Love a child unconditionally. No one is perfect but every little girl sees her dad as a superhero of some sort. My dad was fun taught me adventure and peace at the same time. I love him dearly and don't know what to do without him, but I know he's pain free and with god now. I pray for the healing of our family and want to thank Chapel Hill for the best service possible with unexpected news. Good bless. Love you daddy* ❤️💙
