“ *Carol was one of the veteran Deputy Juvenile Officers with the Jefferson County Juvenile Office when I commenced my employment there. She was instrumental in my training and later we became partners assigned to the Arnold area. I found Carol to be an extremely intelligent and hard-working partner and she quickly became a close friend to my wife and myself. I am deeply saddened by her passing, my condolences and prayers are sent to her family.*

“ I'm so sorry to hear this. Carol was such an amazing person inside and out. She was my teacher and then my friend. She was always smiling. Lifting up her family and friends in prayer.
