“ Yesterday morning, my Aunt Carol passed. She was the eldest of the seven kids in my mom's family, and fully lived up to that mantle. She was full of love, and full of directions for others to follow. Which they always did :-).I'm grateful to have known her my whole life, and if everyone could share the sheer volume and depth of love that was present in her room yesterday with that big ol' family of ours standing side by side with her, no one would ever feel alone.My heart hurts for my mom most of all, but is replenished by seeing the warmth of her family. Hug your people, people
