“ I am so sorry and stunned to just learn of Carol's passing. She was a wonderful friend, so kind, thoughtful and caring person. I always admired her strength for the difficulties she endured with the loss of her beloved son, Albert, her mother, then her devoted husband Al. Carol is a great loss and I know many of us will miss her terribly. I pray for the family she loved so much and I know it was equally returned. Rest in peace dear Carol, we love you. Sincerely, Bobbie and Doug Luster

“ I'll always remember Carol and the Spring Valley Chorus. She so enjoyed the singing and fellowship. There is a new lead in the heavenly chorus and her name is Carol. Barbara Klauke.

“ *Our deepest condolences to Carol's family. It was a shock to see the notice of her passing in the morning newspaper, but also relief knowing that she is now at peace.*

*Carol was an active member and a valued inactive member of our SCC Widows group at Holy Family. While she lived in Schaumburg, her selfless ways were a huge blessing to one of the other members who was then experiencing the issues that come with age. She was, truly, Katie's angel.*

*To everyone in the group, Carol was kind, generous and always full of surprises. When Carol did hospitality, we were always treated to delicious dishes - not only the food, but the dishes themselves and every other utensil and item necessary for a beautiful presentation.*

*While Carol lived in Kirkwood, she and members of the group were in frequent contact with each other through phone conversations, cards, remembrances.*

*Carol will live on in our hearts through the many beautiful memories we have of her genuine love for others and her spunk.*
