“ *So many wonderful memories . . . Carol gave me my first taste of a fresh pea right out of the garden before prayer meeting at your house one evening. My favorite is running up and down the halls of the Hotel in KC I think it was, acting like teenagers and then almost missing our flight because we were sitting gabbing somewhere. She was my big Sis and I will miss her terribly. - Vicki*
Dan, Mike has been in the hospital and is back in as of Tues. night so won't be able to come at all, I'm sure. Please know of he and Joan's and Mom's (and mine of course) love, care and prayers for you now and in the weeks and months to come.

“ Dan and family we send our blessings to you all. Carol was a wonderful Christian lady. She and Russ didn't get too many years together, but she married the second time into a wonderful, caring family. I know you all are saddened about her passing, but the Lord works in mysterious ways and you all have such wonderful memories that can never be taken away from you, as we do. Some day we will all be together again. We love you Carol.

Dan and Family----Carol was one great lady. Her tenacity, and constant work for MANY years helped us to elect many good candidates to local and state government. As an elected official herself, she gave her time and energy and selflessly served her community in ways few would ever do. She always showed her Christian principles in the way she dealt with people, and was downright crazy about her family! She had a sweet story about meeting you, Dan, and really considered you an awesome blessing direct from God. She was kind and comforting to us when she did all of the arrangements for our son's funeral, which we will always remember with appreciation.
