“ *We've been friends since roughly 1961, when Connie and Carol first met by singing in the soprano section of the KUMC Chancel Choir. Even after we moved to Colorado in 1975, the close bonds of friendship remained, and Connie and Carol wrote letters to one another which later became emails. True friends who never lost touch, even through the passing decades, a friendship to treasure. Rest in peace, dear friend. You live on in our hearts. With love, Connie Geipel and daughter Tracy*
