“ *To Arlen and the rest of Carol's family, I am truly sorry for your loss. I enjoyed working with Carol several years ago. I can remember her cute little laugh and giggle so well. She was truly unique in a good way, and most definitely an inspiration to others. Always the teacher, and encouraged everyone she knew. She came up in a conversation with someone the other day when talking about her love for animals. I just wish I would have seen her in the past years since my departure from Big River. Her kindness and genuine personality have truly been missed. God Bless you all!*
