“*Condolences to the family of Carolyn Wilcox. We were co-workers at Ballwin Post Office in 2005 before she retired. Many of my co-workers have fond memories of her. NALC Branch 5050 thanks her for her support over the years. As we just learned of her passing, we regret we were unable to attend her visitation and funeral.*

“*Carolyn was my cousin. Her dad and my mom were brother and sister. Her and all the other cousins always had so much fun when we would get together. You would never dare Carolyn to do something because she always took the date. She always had a good heart that touched anyone who knew her. We lost touch after we were adults but thought of her often. She will be missed by many of family and friends.*
