“ I personally didnt know Charlie that long but the memories we made will last a life time , i will miss our Saturdays when we would rip and run all morning long , going from store to store ,god truly got an angel in him . Its not the same anymore may you fly high Charlie love you more then you would ever know

“ I have very few friends left in this world, Charlie was one of my dearest friend for more then 50 yrs .one i knew i ciuld fully trust to any extent . I loved him like a brother . My heart is broken and i truly miss him now and forever , he will always be in my heart. Hope to see him on the other side , till then i will keep him in my heart. Love you Charlie , Jump.
