“ Charlie was always busy. He was the only man I knew of who could carry a 70 pound bale of hay with only a pinky finger. Amazing.

I witnessed him carry 6 bales at once, one under each arm and two in each hand. Definitely the strongest person I have ever met. What an awesome guy, he will be missed.

“ *OH! so sorry to see this, we figured Charlie would go forever. He was always working for the HWY Department, his sons, the farm. He did enjoy the trips you had together, which surprised us that he would take time off to do. We will always think of him when we see one of those yellow trucks on the highway. So very sorry.*

I will always remember him taking the granddaughters up to the altar to collect the offering. They were really small hanging on to Charlie's legs. They looked so tiny compared to grandpa!!! Those granddaughters love their GPA so much!!!! ❤️❤️❤️

Charlie was the kindest, most generous, friendly person I have ever had the honor of knowing. I will miss him immensely. This world was a much better place with him in it. I am finding it hard to believe that such a wonderful person was taken out of this world. My deepest sympathy to all of Charlies family.

Charlie was a classmate all through school. Our birthdays fell so we didn't graduate together. But we rode the same bus for years, till a new route was started. He a great friend. He was kind and always smiling. Charlie would always take time to talk when he'd see me. Ask how are you? We exchanged small talk and it was always good to see a old friend. Just knowing he is in heaven makes me smile. Charlie was the best! I drove a school for 30 yrs and we always waved to each other, when we met on the road. In so sorry for his family's loss. I was praying for him, but God was ready for him. Love and hugs and prayers for his family. 😭❤️❤️
