“ Grampa, you will be sorely missed. You always showed a love for life, and a great compassion for your family and friends. Everything you did, you did with compassion, and did it well. You were always so helpful and kind - serving others and putting their needs first before your own. You loved Gramma so compassionately for over 60 years, and always made life fun. I will miss you, but I am so glad because you also had a compassion for Jesus Christ, I will see you again soon in Heaven, and we can enjoy life again- forever.

“ Grandpa I married your granddaughter almost thirteen years ago. In that time I got to know you and I am blessed for the knowing. You are now in a place so unlike where the rest of us reside. You are truly at peace in a place where only peace, true peace can exist. You are in the place where angels tread, the Holy Seat where God is King. One day Grandpa we will see you again. Until that glorious day comes, Cindy and I will miss you every minute of every day. Until we see each other again...
