“ To Chelsea, Bryson, Chelsea’s mom, and family I’m so sorry this happened she didn’t deserve this, I am her old neighbor, I just learned of this tragedy. Me and Chelsea would talk at the fence about life and how she overcame 🙏🙏🙏🙏🙏 I’m deeply hurt by this, all the healing she did and this is how it ended, it’s not right. I cry for Bryson it’s tuff without your mom 😭 I can see them in my head walking to the car to go to YMCA summer camp. Great woman, great mom, great friend, great neighbor who is truly missed. Fly High Chelsea 🕊️🕊️🕊️

“ Chelsea was one of the best people I ever had the pleasure of working with. She was not only a coworker, but a friend. She was one of my biggest supporters when I was going through one of the hardest times in my life. I remember her coming over to my apartment to bring me food and talking with me about life and Jesus. She always lit up when she spoke about her son as well. She was always quick to say yes when I asked her to be a reference for me. It was because of her as my reference that I have my current job. I will never forget you, Chelsea ❤️ my prayers go out ot Bryson, her family, and all who loved her.

“Chelsea was the first to jump in and help many young women turn their lives around and get the support they needed. She was kind and gracious spending time talking with the lonely of any age. She worked so hard to get a nice place for her son and her to live. The numerous beautiful things she did will keep growing and living on as the people she helped can now help others and be better than they would ever have been if they had not met Chelsea.

“ I knew Chelsea as a friendly and kind neighbor, we would often work together picking up litter and keeping our end of the block nice and tidy. I enjoyed watching Bryson ride his bike, play on his tree swing, and play with his little dog Bella. Chelsea was always a very watchful mom making sure that Bryson was safe, and brought to daycamp during the summer. I will always miss her friendly greetings and will keep Chelsea in my prayers. I will also keep Bryson and anyone who loved her in my prayers at this time of loss.

“ Chelsea was such an incredibly beautiful woman. She was kind, loving, supportive and her laugh was always so contagious! I looked forward to the days where we would both be at work to just sit and chat about life. I think my favorite part was listening to the way she lit up when she talked about her son- she truly was such a wonderful and loving mother. Chelsea you are loved and you will forever be missed. I'm so grateful to have met you.

“ Chelsea Case will be missed. When I met her and her son, it seem like she had the weight of the world on her shoulders. She never gave up and always push through the bad and tough times with a smile on her face. In time her life changed around for the better. I got to see her grow and her son grow together and heal. She always loved helping others and seeing them accomplished their goals. I'm going to miss her smile and her willingness to help others and her positive attitude. She was a awesome mom and friend. I'm so glad I got to meet her. She touched and changed alot of lives, including mine. Rest in peace. Gone but not forgotten

“ *Chelsea has always been such an inspiration to me and she should not be remembered for this last chapter. She loved being a mom and worked hard to help others. We had great adventures with our boys and I loved her like a daughter. I am forever grateful to have been her aunt and I only hope she is finally able to find some peace.*
