“ We feel truly blessed that we got to share some of this crazy life with such a beautiful soul. She was a fantastic neighbor for 6 years, a great co-worker, and a true friend. Even in her most trying times, she always placed others first. We're no exception. She is and will always be missed. Our continued prayers are with the entire family!

“ Going with Chris during her radiation treatments was an experience in the history of St. Louis for me. She knew so much and made it fun to learn. We went to the Science Center, various restaurants and drove around admiring the beautiful architecture the City has to offer. She was such a level headed person, very intelligent and such a big heart. I will miss your smile, your laugh and your insight Chris. I will miss you dearly. I considered you a good friend and confidant.

“ *Christina was a shining light and one of the most dedicated people that worked in the VA system. Her passion for teaching, helping, and standing up for military, veterans, and their families as they achieved their goals of higher education could not be surpassed. She was always willing to help me with questions or concerns and she was extremely smart and knowledgeable. It is with sadness that we say goodbye to her. Fair Winds and Following Seas.*
