“ ; A haze. Clouds of smoke. Hover over the youth Like that of a stagnate fog. Piercing their will. The things I do. I do for you. Even in my mind. I knew. It wasn't right. The fight. It started within. Day and night Ive been lost. Loosing myself for days. But. Love still lives in my heart confusion to the eyes of others .yes .it became my life. I m still the same person. Just caught up in this. Rat race you call life. Mayb I didn't take the right road. But in all this. I never lied to myself I lived life as it came. And for that. I carry no shame. I lived hard. Loved freely never met anyone who wasn't my friend .Remember me ur father ur brother ur lover ur friend.I am a good man written by Angie brown I love you Poss. Love Trixie. Brown serve a b 20 big A
