When I was pregnant with my first child Buck gave me a rocking chair he had bought many years prior from my grandfather. I will treasure that surprise moment and gift forever.*

“ My most sincere condolences to Buck's family. He was a great man, and a family friend. I got in trouble with the law in 1972, and Buck had a talk with me I will never forget! I had the pleasure of spending some time with him at Dave Graf's funeral in 2008, and told him how much I appreciated that talk. Made all the difference in my life! Thank you Buck ... my love to his family. God Bless!

“ With deepesty sympathy to the Buerger family. My fondest memory of Buck was when I was 10, my dad made me smoke from a pipe and then took me to jail to talk to Buck. I was very scared. Never smoked a pipe again!! Buck meant so much to our great community. We were very lucky to have him in our lives. God Bless.

Although it"s difficult today to see beyond the sorrow, may looking back in memory help comfort you tommorrow.

“ Dear Uncle Lou, Pam, Patty, Chris, and your families,

We are so sorry for your loss. Aunt Opal was truly a great lady and such a sweet member of our family. Pam, what you spoke at the funeral was loving and fitting tribute to your mother--thoughtful and fun. Perhaps the point that struck me most was her calm way of putting out the fire in the kitchen. That's how I've always thought of her--very calm, collected, and not ruffled by much. She will be missed.

Blessings to you all,

Ted, Monica and Tierce Carmody

“ Opal was one of the kindest, dearest people I have known. She was truly a God-send for our family when we needed daycare for 2 little ones under the ages of one. Liz was called lil" bitz and John was just John. And they all called Lou, "Lou-honey", because that"s what Opal always called him. My mother died, shortly after John was born, and Opal was there to support me. She even made bottles when they were babies! When Wally had brain surgery Opal was there also. She sometimes invited the little ones to stay overnight. Our children were also cared for with love by Opal and Lou and I will always be grateful to them.It was truly a blessing to have known Opal and I will dearly miss her.
