

## Christopher Michael Johnson

February 6, 1990 - April 5, 2024

Christopher Michael Johnson, of Dittmer, Missouri, was born February 6, 1990 in St. Louis, Missouri to Steven and Sherri (nee Valerius) Johnson and entered into rest Friday, April 5, 2024 in St. Louis, Missouri at the age of 34 years.

He is survived by his son, Silas Johnson; parents, Steven and Sherri Johnson; sisters, Michelle Johnson and Amy (Eric) Rodis; nieces, Aubrey Rodis and Kaylee Rodis; grandparents, Richard and Diane Valerius, Marie and the late William Johnson; uncle, Daniel Valerius; cousins, Taylor Valerius and Danny Valerius; along with numerous other family and friends.

Christopher was more than just a skilled construction worker; he was a true craftsman with an innate ability to transform houses into homes and a few simple pieces of wood into a beautiful piece of furniture. He was capable of fixing anything, whether it was a leaky faucet or a creaky floorboard and was beyond his prowess with tools. Christopher loved adventure and the great outdoors. He enjoyed tearing up trails on his four-wheeler, and his love for hunting was matched only by his passion for music, each note he played echoing the rhythm of his adventurous spirit. Christopher's legacy is not just in the structures he built, but in the memories he created and the lives he touched with his boundless energy and infectious enthusiasm for life. He will forever be remembered as a master builder, an outdoor enthusiast, a devoted

father, and a beloved friend to all.

A Celebration of Life will be held from 10:00 a.m. to 11:30 a.m. on Saturday, April 20, 2024 with a Memorial Service following at 11:30 a.m. at Grace Church St. Louis, 2695 Creve Coeur Mill Rd., Maryland Heights, MO, 63043.

In lieu of flowers, memorial donations may be made by check to Silas Johnson, the son of Christopher, to help his future needs. Your generosity in honoring Christopher's memory through support for Silas is deeply appreciated.

“ *This is the Little Shut Inns. This is the day that Chris reached into the water and pulled out a keeper size fish like he did it every day. For those who saw it was legendary. He will be missed, but his memories are eternal.*

“ Chris was fun, hardworking & friendly. We became friends when he worked on a patio project and I admired his work skills and dedicated efforts. 10 years ago Chris wrote this on his Facebook page and while it truly captured his free spirit part of it sadly became true "Well life is too short so love the one you got cuz you might get run over or you might get shot!"
