“ Chris won me over at his interview in July 2010. I kept my notes from that first meeting in his file: "I loved him! He's young - he's eager - he really wants this job. He told me he enjoys bringing smiles to people's faces. He's qualified in the skills and would be great at tenant relations! I'd like to offer him the job right now." He used to stop in my office just to say hi! Chris, you are greatly missed! My sympathy and prayers for his family.

“ My thoughts and prayers are with Chris' family. I worked with Chris and he was such a great friend too! I loved seeing his big smile and hearing him walk into our office asking for hugs. He called me Ker-Bear and I will never forget hearing him say that. I miss our long talks and texting sessions. He was so funny! Oh and who could forget his daily Facebook posts! He will be missed by everyone who knew him. He was loved by so many!!❤️

“ My deepest sympathies go out to Chris' family. Chris was my right hand man at work successfully handling our day to day property issues. He was a co-worker who became a friend. We talked often and would have lunch and get out after work hours a few times a year. I was blessed to know him. --Mark Hinchey, Property Manager, Mercy Health East Communities
