“ *Cody: It won't be the same without you. The three of us had brunch almost every Sunday and I must say you were an inspiration for not only us, but also everyone within hearing range. You had the qualities that many people strive for; that being politeness, always courteous, a smile on your face and most of all always a kind word. It goes without saying that you will be missed and we wonder why at such a young age. But at my age Cody, I hope to meet you in the not too distant future so we can talk and I can admire your loving smile.*

Rest In Peace my dear friend.
