“ *Another wonderful person, and a great Malden High School
classmate of 66, has left us way too soon.
I remember all the great times in school we had together, and when
you and I, and a few other classmates use to go the Larry
Sammons fathers church in Risco, Mo.*

You will be greatly missed my friend.

“ *Never more happy than times with her Grandchildren and her
Doggies...you were loved and will never be forgotten...my life is
better having known you*

“ *Connie will always be remembered by me.
Even though I meant her a few years ago we
struck a bond and became friends. She
showed me some of her work to help her out
and we both like skecher shoes. So may
sound funny, but when I work my skechers I will always think about
Connie.
Rest in Peace my friend.
