“ *Wow!! How sad for me. I was under the impression that Connie had passed away years ago or I would of loved to kept in touch. I knew her from my school days in Cedar Hill MO but my best memories are when I was the cook and then the Activities Director at Cedar Hill Manor in Cedar Hill. Oh the fun times my daughter's an I had with her. My youngest daughter went to school with Stacy but she would volunteer down at the home an one of the things she would do is write letters for Connie to different people. My eyes are over flowing right now. I so enjoyed your mom's company an I would truly do anything for her. I even use to bring her in homecooked meals. Visit her on my days off. Buy her knick-knacks. I'm truly sorry for your loss an I'm so sorry I missed out on her last days. Please forgive me. Connies frien. Mary Jo (Merrill) Eckstein DeClue.*

“ *By now mom has taken in half dozen stray animals to feed in heaven. I'm proof how much mom loved to feed her kids. It was my pleasure to repay her by feeding her these last months. I am grateful for time I had with her as pieces of her spirit slipped away little by little but she was always kind and first question was always to ask if Jordyn and Eli were here. She thought house felt alive with them here. She loved their hugs and effection. I suspect her spirit is totally at peace now. And that's good.*

By now mom has taken in a dozen stray dogs and cats to feed in Heaven. I am grateful to have time with mom near the end. She loved being around Jordyn and Eli and thought they gave life to our quiet home. They loved her too.
