“*Connie Young was the sweetest and kindest lady anyone could ever hope to meet. She would come to our house a couple times a week and she did so much to make our lives better. As my better half became more and more handicapped, she would take her to the doctor and help in so many ways. We literally could not have gone on without her. However, we weren't the only ones in our house who loved her. She had a special way with our dogs and their best days were the days when she was there. Finally, after my better half passed away, she still took care of me and the dogs in those dark days when we were alone. Her passing leaves a big hole in my heart.*
