Coni made childhood sooo fun! She was the best friend to my older sister, Linda and boy, did they get up to trouble! Linda always knew she wouldn't get into too much trouble from our Dad if Coni was around, my Dad loved Coni! Thank God he did love her, because I think Linda would have been grounded until she was 30 if it wasn't for Coni!! I remember them going on the Meremac College camping trip for 3 weeks and the stories and pictures they had coming back from there were legendary! Coni was always part of our family and will always be a part of our loving memories! Your Mom and Dad, and my Mom and Dad will be there to welcome you with open arms. ❤️
