“ Children learn the song *This little Light of Mine* in Sunday School. Connie lit our world with her candle. She served her church, her community, her family, and her friends without fanfare. She did not seek praise for herself but was quick to thank others for their service. You could feel her warmth and genuine interest in you. Connie saw, heard, and prayed for you. May we take up our candle to light the dark corners for others in remembrance of this sweet lady.

“ Connie will be dearly missed, I've only known Connie for five years, but how blessed I've been to have become a friend of hers. Such a strong and delightful woman, going through trials of life, with a smile and strength she carried made me love her so much. I'll miss seeing at the farmers markets, With Love Julie Ott

“ Bob was our Mom's Hospice Chaplain, & Connie came by to visit Mom when Bob wasn't able to, due to he had fallen or was sick. They were **BOTH** the kindest, sweetest, most caring people to us all. Bob would come in with his jeans, boots & hat on, we loved when he came by & certainly cheered Mom up. Connie was just as precious to us. Keeping you all in our prayers 🙏❤️
