

Cora Elizabeth Reed

April 18, 2026 - April 18, 2026

Cora Elizabeth Reed was born sleeping on April 18, 2026, and was taken far too soon, leaving behind a family who already loved her beyond measure. Though her time here was brief, her life touched the hearts of all who awaited her arrival.

Cora is deeply cherished by her parents, Elizabeth Reed and Justin Benner; her loving sisters, Savanna Reed and Hailey Reed; her maternal grandfather, Terry Reed; her aunts, Ashli Schrader and Cynthia Reed; her great-aunt, Monica Lyons; her great-uncle, John Lyons Jr.; and her great-grandparents, Dorothy and John Lyons Sr. She is also lovingly remembered as the namesake of her great-great-grandmother, Cora Elizabeth Lyons, and is reunited in heaven with her maternal grandmother, Debora Lyons, both of whom preceded her in death.

Though she never had the chance to grow in this world, Cora will forever remain a part of her family's story, held in their hearts, remembered in their love, and missed every day.
