“ *I am sorry for the loss of your beloved one. I knew her through the JBL group , and came to love her very much. I became disabled and was no longer on the computer. However, we stayed in touch through letters for a good while. We shared many joyful memories, and a few sorrows as well. We were prayer partners for a long time. She will surely be missed in this temporary place but I am sure she is rejoicing with her Loving Saviour.*

“ *A very much admired and thought of lady! Never met, only chatted on JBL for many years, but became a very dear friend, a lady who was wise, and a great encourager and loved our Lord. So, we will meet in heaven ❤️.
God Bless her family at this sad and huge loss.*
