“ *I had the pleasure of working closely with Corey the past few years. Corey was on of a kind. He could always make me smile when I was having a bad day. I have truly missed him and his love for life. He would tell me stories about his two boys and his eyes would light up. The love that he had for Jen and the boys was deep and true love. Fly high in the heavens with our Lord.*

“ Corey was truly one of the best. First and foremost, he had a love for his family like no one I had ever met. His life revolved around his beautiful wife and two sons. Secondly, he was a true friend to so many, and I know this firsthand as he was a very good friend of mine. We first met when we worked at Kirkwood Walmart approximately 7 or 8 years ago. I can't remember the years. Then we both worked together at High Ridge Walmart for several years. Corey will be missed by so many. My heart is broken for his family. His wife and boys are always in my prayers. He definitely is a man they can hold near and dear in their hearts and have some wonderful memories to remember and share.

“ I will always cherish Corey's smile. His animation when telling stories and the way his eyes glimmered when he talked about Jen and his boys. He made my job well worth it when he would just come in to ask how I was and to just talk about life. Corey, you are one of a kind and I am blessed and grateful to have worked with you and to call you a friend. May you watch over Jen and your boys from Heaven and protect them.
