“ *It's coming up on that time again. There are still days that I can't believe this is real. I would love so much to give my big brother another hug or see that big goofy grin of his again. Hope you're resting easy, Cory.*

“ *This is the hardest thing to hit us since the 70's little brother and I know it hurts. But at least now Cory is in no more pain and with Mom and Dad.*

*You are in my heart and prayers.
