“ *I'm speechless, such a sweet, kind, loving girl. I met her at my sister's house when visiting MO. I could tell her heart was big, anyone could, how could one miss it? She was my fb friend. I really loved that girl, I don't forget good people like her. My heart goes out to her family and friends who are grieving. She is with her Mom now, I know she missed her. Bye for now Crystal, but we will all see you again one day. God bless you and anyone reading this.*
