“ Dear Judy Barnhart and family,
I am so sorry for the loss of your loved one. I got to know Dale through FFPD. He worked with my husband Rich Webster. I liked Dale from the moment I met him at the old Fenton 1 house. He always had a smile on his face and was so friendly and funny. He was a good guy!

Sincere condolences,

“ If you didn't have the pleasure in your lifetime of not meeting Dale, you missed a truly inspiring man. Dale and I worked together for over 20 years at Fenton Fire District. A truly hard working man on his job and for his family. From the fire house to our fishing trips or at a party, there was never a moment that laughter was not on the way. To me personally, such a loss for his wife Judy and his family is tragic. Knowing Dale as I did, what he and who he was, is a lasting memory, for me, and my family. Its rather hard to put over 20 years knowing and working with Dale, in such a space does not exemplify such a man as, Dale. You were Truly a dear friend, thank you for BEING you.

Dale was a fine fellow. My last recollection was a conversation at the NW craft show. It is good to have fine folks like Dale In the community. May God feel close as you go thru the coming months.

“ *Dale, Barney, was an honest, sincere, and straight forward man. I did hate getting fuel after Barney though. Many of you will remember how he monkey-fisted the fuel cap back on. You almost needed the Hurst tool to get the cap off. And who could forget Barney's naps with a bowl of popcorn on his lap. You will be missed by more than you know and to Dale's family, Thanks for sharing him with us at the Fenton Fire District.*
