“ *It's been 6 months, & my heart is still so very heavy & I can hardly see the keys to do this. I still cannot understand your pain that would cause you to do what you did that you would lapse to think of all the pain & emptiness you left us with. I miss you, & I miss sneaking in on you while you were sleeping so I could steal a kiss on your forehead because I knew how you were about that. I do appreciate the hugs I got. Such talents, gifts, & potential you had we will never know or see. I love you & miss you intently my son my son my son.*
