“ I can not even begin to imagine how difficult this loss may be for the Woodson family. I have been friends with Jessica since grade school and have spent many nights with Nacny making all kinds of food and just watching movies with the girls. She was like a mother to all of us. She is a wonderful lady and loved by so many. "Nancy-one who is graced with Gods favor"

Sincerely,

Emily Neckermann

“ Darlene and I volunteer at Chesterfieldn YMCA. I worked for Kris's Department performing woodworking for the Y. Kris was a no nonsense department head with the ability to get straight to the core of what and how he wanted work performed. Both the Y and our family will miss him.

“ *I fondly remember the friendship my grandfather, Leslie Burrow, had with Earl. He was always so nice. He often hunted out at our family farm and I recall the fun I had playing with Mary at my grandparents" house and at hers. He will be missed!*

“ *With deepest sympathy to the Blackwell Family. I had the highest respect for Mr. Blackwell. He took me on my first airplane flight. I will always be so grateful for him letting me buy his office building. It's a historic place.*

"Although it's difficult today to see beyond the sorrow, may looking back in memory help comfort you tommorrow.

“ Pam Patti and Chris,

I can't imagine the deep loss you feel to lose Louie. He was such a fun "dad" with all the fish, tree house and letting me drive the model T mini. He was a big part of my childhood as was Opal. I will sadly miss visiting them when I am in Hillsboro.
