“ *Growing up in Hillsboro I spent half of my time in my own house with my house and half the time in the house of my second family, the Conell's. I have so many fond memories with Darrell, he was the one who taught me how to yo-yo and every Fouth of July he would make the best fruit salad that I have ever tasted. We will miss him dearly and my thoughts are with Courtney, Nancy, Brittany, Tori, and the rest of his family. May he rest in peace.*

“ Dear Nancy and Girls, I know it has been a long restless time for you, I hope and pray that as you begin to recover that your memories of your dad bring you great comfort. He was a gentleman in a time where it was not popular, he stood for things that would probably never make him rich, and he was the one person I knew that appreciated the blessings in his life now, when most people don't even realize they are blessed. I love you all very much.
