“*"Krista Martin" - Darren Keith Wisor was a very popular guy at my school he has been part of Christian Academy Greater Of St Louis for a very very very long time and Darren is also known as Mr Wisor he would be at my school all the time he would substitute sometimes and help others. But anyways so the way I met Darren was when I met Darren's wife ( Kathy ). And I met Kathy first because you see Kathy Wisor used to work at my school she use to work in the office. And the funny thing is when Kathy and I go to know each other more she had realized I was the kid back then who would always get in trouble and I would be the one who gets sent to the office all the time and so when I would get sent to the office the way she would get me to behave was when she would say. Don't Make Me Get Darren On you Because Then You Would Listen. And I would reply with saying yea your right I would listen if you have to get Darren because I will say this if you don't listen and Kathy has to get a hold of Darren then I would say that is your time to run out the room ASAP um because you see Darren looks scary but he's not scary. Okay anyways back to what I was saying also another way that I met Darren was when my older sister lezza had him as a teacher. But if Darren was still here with me or us then I would walk up to him and give him a big hug because Darren has made a Huge Impact on my life. ( TO Darren Keith Wisor ) By the way Darren I am dating someone that you have known for a while now and he has known you for a while now I am Dating Grant Kell Hardy. And I will say that grant with do anything to have you back he is hurt because your not here anymore and I know how it feels because I had lost my dad in 2022 due to cancer. and with my being Grants girlfriend I have to be there for him and I stick by his side all the time. and every time he sees something related to BATMAN all he can do is think of you Darren. Same thing for me Darren when I see something related to BATMAN all I do is think of you. And Darren I will say you were a very great person towards others especially the people you love. But you wanna know who misses you more Kathy Wisor Because our school did the Trivia Night and I guess they played or I think it was the Chours members was singing it but Kathy heard your favorite song and she was trying her hardest to*

“ *Kathy, I am so sorry to learn of the passing of Darren. Just a short time ago you were sending me a condolence card and now it's my turn to tell you how much you are loved. I know there are no words that really help during this time, but do want you to know that my thoughts and prayers are with you and Brenden. I know that God will be close to comfort you in the coming days. I know your pain is huge and your family and friends are hurting with you. Love you, Sue Hollis*

“ *Darren Wisor was the true fabric of the Christian Academy of Greater St. Louis. He was highly respected by faculty, parents and students alike. This became evident when the seniors once requested Darren to deliver the key address at a CA graduation. Mr. Wisor was a quiet leader that the students absolutely adored. He volunteered numerous hours and traveled many miles from House Springs to CA just to be an influence on kids. He will be sorely missed!*

“ I taught and coached at CA for 3 years with Darren. I strongly believe God puts people in your life to have an incredible impact on us. Darren showed me how to Love our Savior. I am a better person for getting to know Darren. I was lucky enough to teach Bible at CA, I had many conversations with Darren about something I was about to teach. He made it so teachable and understandable. He was my book keeper when I coached baseball. He forgot more baseball than most people know. He was a true warrior for God. My name is Nick Walls , I know God has his loving arms around Kathy and Darren.
