“There are no words” A quote that seems so inadequate but also so true. There are no words to describe the grief. There are no words to understand “why”. Above all, there are no words to describe how great of a man Darryl was. But let’s try...

Darryl was the best example of being humble and kind and was rarely ever angry. He could always see bright side of a situation or the bright side of people.

Darryl went out of his way to be kind to everyone, even if they didn’t deserve it. He loved people and gave back as often as he could.

Darryl’s friends list was constantly growing because if you met him, you genuinely liked him. The number of times his family has heard “I like that guy” after just one interaction is uncountable.

He was an avid pool player from the age of 17 where he found friendship and lots of laughter. In high school he played basketball and even after high school his love for the game persisted. In the kitchen he could make anything he wanted and always made sure it was made with love.

Darryl was an awesome husband, brother, son-in-law, brother-in-law, uncle, and friend. He would always make time to play games or sports with all of his

nieces and nephews. They adored their Uncle Darryl because he was fun and kind to them.

Darryl was a great colleague to work beside and an amazing friend. He was a life full of laughter, joy and positivity. He was one of the best at speaking God and truth into situations. He always gave back to the community and those in need and did it with a God like mind and heart.

He will be fondly remembered and dearly missed by all who knew and loved him.

In honor of Darryl's kindness, memorial donations can be made to New Life Evangelistic Center at 2428 Woodson Rd, Overland, MO 63114. “ *Firstly, Thank You LORD GOD for Darryl's life. Darryl was a great guy. I don't have a bad word to say about him. Our Families were neighbors from 1976 until his Mom passed in 2007 and our Families are Family. Darryl has always been a sweet natured person, I have never seen him angry at all. I have to say...A vivid memory of my childhood was Darryl hitting donuts in the snow in a red sports car...Darryl's love and laughter will be missed...the tossing of those keys when he held conversations is such a vivid memory and I was a kid...rest in peace!*
