“ *My brother Dave was a gentle soul and a gentleman. He was my friend who would do anything to help me out. But mostly we visited and he took me out for walks in area parks. Thank you Dave for being a great brother. I will miss you!*

“ *Uncle Dave was always kind to us. He always would ask how we were doing and genuinely listened to what we had to say. He looked for ways to be helpful whenever he could. He was considerate, kind and made you laugh at every chance he got. He called or texted to check up on us and always offered encouragement . He was one of a kind an we will miss him tremendously!*

“ *Dave was a great brother and a great human being. He was always there to give a helping hand or to just share a conversation. Dave was a very private person and never wanted to burden family or old friends with his personal problems but would choose to deal with them alone when others would have gladly helped. That is just who he was, putting others first. David's heart to help others was bigger than it was strong and he will be missed in our lives but never forgotten in our hearts. Love you Dave!!!*

“ Uncle Dave, You will truly be missed. You had a knack for making people smile...and that's something I'll always cherish. You always made things so much fun for us kids when we were young and you were so helpful, kind and caring to all of us as we became adults. Your sense of humor always brought a lot of joy and your care for your entire family was evident as well. We love you and miss you.

“ Uncle Dave will be missed. He was a good brother to my mom, and friend to my dad. He was patient, kind, gentle, silly, inquisitive, adventurous, funny and worked hard. He cared about his nieces, whether it was throwing us up in the air when we were little, to giving us a \$20 to buy a steak because we were too skinny as a teen or asking about our kids and making conversation with our spouses. He loved food too! He liked to eat! But you wouldn't know it by the size of him! I think we all have our own stories about Dave and food! 3 words: fried chicken leg. I'll just leave it at that. 😊😄

“ Uncle Dave we miss you so much! There's only one you, and your smile was our little boys favorite thing. Playing horsey with you was what our son has said he misses! We love you!

“ One of my favorite memories of Uncle Dave is when we were little he would let us sit on his shoulders when he was walking around and I thought that was THE BEST!

“ Uncle Dave was always kind and good-natured. Always glad to see us. Always checking in on our Mom and offering to help in practical ways. He was sweet to my kids, by bringing them fossils and other cool rocks that he knew they would like. When I told my kids that he passed away, one of them said, "Oh, that's sad. He was so nice." Uncle Dave will be missed. 💛

“ Dave is the best brother a person could ever ask for. He would do anything to help anyone unless he had good reason. He would come over often and we would have supper together, and no matter what I make he would always say "Mmmm Donuts!" Then we played scrabble!
Always trying to make people happy. Now he's as happy as can be up in Heaven with our other family members who had to leave us.
I miss you Dave 🥺💕💕💕💕💕💕💕💕💕💕

“*Dave and I were best of friends in High School. I even asked him to be my best man when I was married (he refused). We grew apart but I never stopped loving him. I’ve missed his company and companionship for decades. He was a great friend and I am devastated to hear of his passing.*”

Bob, I am sorry that you drifted apart and never knew the how hard it was for him to decline being you best man because of personal hardships which I only recently found out about. He will be missed. Any happy and funny memories you could share with us would be greatly appreciated

You were the most wonderful brother. Not only were you there for me, you also made me laugh. It wasn't unusual for you to embarrass me in public and make me laugh along with you. You were the best and I miss you so very much!!
