“ *I haven't seen Dave and Sherry in quite a few years. I worked with Sherry at Grandview and can remember thinking she had hit the Mother Lode with Dave. He was exactly what she needed. They seemed perfect for each other and I loved hearing about all the kids and their travels.*

*I am gonna miss him so much!! I loved him so much!! He and I would always be going at it about something and burst out to laughing. He would then give me the biggest and longest hugs ever!!! I remember telling him I wish I had a dad like him and he said "Well you do now". I used to tell him thanks for driving all the way to Virginia and Washington to visit LEVI. He smiled and said I came to visit you and Levi, you're both my family. Levi and I will love you forever!!! Oh, When we meet again, I got some more stuff to rag on you about. May you Rest In Peace, PawPaw!!*
