“ *On behalf of the Hardesty Family, we are so sorry for your loss. I found out the news yesterday. Dave was a loyal man my Dad cherished to work with. If there is anything your family needs during this time please don't hessite to reach out to us. We feel awful about hearing of Daves passing, the news didn't get to us till the day after the funeral. Our family will always cherish your family after everything you did to help us during the time of Dads(GoldStar) passing and just in general of being part of the FedEx Freight family. Prayer for you all. Rest Easy Hangerman.*

“ My earliest memories of Dave were seeing him walking up the hill from the Feed Mill every day. The most dramatic sight was to see him literally fly down the Barne's hill top speed toward the fire house! My mom would say "I think he sprouted wings that time!" Dave was my friend's dad and my dad's friend. Tammy was definately a daddy's girl💙 He worked long hours but always seemed to be home and always busy. He was always smiling with a good joke & a great story. He helped my dad cut the grass when my dad could no longer handle all of it. He was a constant in our lives. Always there and always willing to help but just willing to listen was one of his most amazing qualities. He loved his family & took pride in his home. Dave was a God fearing genuine man that my whole family loved. I can't imagine the unfillable void he will leave in the hearts of his family. We will continue to pray for his family, may the Lord ease their grief at this time. 🙏💙
