“ *From the first day I met Debbie she made me feel like one of her own. They live next door and I would walk down the hill to hang out with her and the boys and swim in the summer. She had kool-aid and snacks and we would lay in the pool and talk, even after the boys went in. If the boys were teasing me too much she would tell them to knock it off. Lol. She had an infectious laugh and a smile that always made you wanna hug her. She will be greatly missed. Until we meet again, Debbie, thank you for the great memories and laughter.*
