“ *What a amazing spirit Debbie exuded! I am grateful for the kindness she showed to me and the example she set to us all to be caring and kind and to always continue to learn and grow. She had achieved so many of her goals and aspirations through hard work and discipline. Rarely have I met someone with her combination of integrity, intelligence and beauty. Inside and out. I was lucky to have had such a support throughout Cole's upbringing. She was always willing to spend QUALITY time with Cole and we will miss her terribly. She had a strong spiritual faith that I have always admired and I know that if anybody gets to go to heaven, Debbie is there shining brightly.*
