GO

“ My prayer is my sister's life be remembered with a smile. She was a beautiful woman who had her own, independent ideas about life. What comes to mind when I think of her is the love she had for our mother, and her children. My prayer is my Jesus give comfort and peace to her children and grandchildren. I am saddened at her early departure from this life but i am comforted to know she is now in the hands of a merciful and loving God.
