“ What an amazing husband and father. It seemed like he went out of his way to do all he could for his family. There was also room in his heart for the community. What a generous man!

*What I remember about "Uncle" Tim is his great laugh! His wonderful smile that he definitely passed onto his four beautiful daughters and always brought out in his wife.*

*Tim will be missed dearly but will always live on in all of his family and friends laughter and smiles.*

“ To Tim's Family:

*I am so sorry to hear of Tim's death. Tim was such a good man ... so full of energy and life. He chaired our golf planning committee at the AGC of St. Louis and was instrumental in coming up with unique ideas to make it more successful.*

*In our many meetings he often talked about each of you so often that I feel like I have already met you. He loved Debbie very much and it showed. He was so proud of each and every one of the girls.*

*Tim always made me smile and I was amazed at his energy level. We will miss him terribly as a volunteer. I will miss him terribly as a friend.*
