“ *Denise, you were a newer friend, but you made me feel as if I had known you my whole life. You had a way of making everyone around you feel at home. You were the most amazing kind of mom, grandma, woman, role model. Thank you for your shining example.*

“ *Denise changed the lives of everyone she knew. She was an endless source of encouragement and support. Denise went out of her way to help anyone she could every day. Her caring nature, wit, intelligence, and charm were a beacon to thousands of people all around the world. Every day I hear another story of someone that she helped and reached out to in their time of need. I learned a lot from her and I will aspire to embrace the myriad positive lessons into my life for the rest of my days. I love you Denise and I miss you more than words can say.*
