“ *I don't even know where to start.....Dixie was my second Mom. I spent as much time at her house as I did mine own. I spent the night almost every weekend. I lived there when I was in the 4th grade when our house was being repaired from fire damage. I celebrated holidays there. I spent the night almost every weekend. Bill, Dixie, Sally and Poco Loco were my entire childhood from Santa at the Saloon, hours in the Penny Arcade, home movies in the theater and so much more. Oh, and how could we forget the Haunted Town. Ice milk after dinner. Sending me home only to return within 10 minutes. She was the epitome of June Cleaver. I will be forever grateful for the time she spent with me and allowed me to be a part of her family.*

“ To Dixies Family and Friends: I'm so sorry for your loss! Mrs. Bobbitt was such a kind woman. She was always so sweet to talk to on the phone or when she would come into the office for a visit. She will truly be missed!

*My thoughts and prayers are with you. God has gained yet another wonderful angel in heaven!*

“ I met Dixie when my son David schall was marrying Stephanie. We talked about everything as if we had known each other for a long time. We laughed a lot when talking. She was so kind. I could see the love she had in her heart for her family. I will miss her
